

MASTER in FINANCE

An upper level Master of the University of Torino

XIII Edition

The Collegio Carlo Alberto is a foundation established in 2004 as a joint initiative of the Compagnia di San Paolo and the University of Torino. Its mission is to foster research and teaching in economics, finance, and political science. The Collegio shares the values and best practices of the international academic community. Nearly 400 people including students, researchers, fellows, junior faculty hired on the international academic job market and visiting scholars create a dynamic and cosmopolitan research and teaching environment.

MISSION

The **MASTER IN FINANCE** aims at preparing students for high level careers in investment banking, securities trading, commercial banking or insurance, as well as in research departments of government agencies and central banks. It is a truly international program taught entirely in English.
